Dear Supervisors:

INTERNAL SERVICES DEPARTMENT: ADOPT AND ADVERTISE JOB ORDER CONTRACTS (ALL SUPERVISORIAL DISTRICTS) (3 VOTES)

IT IS RECOMMENDED THAT YOUR BOARD:

Adopt the Job Order Contract December 2007 Price Books and December 2007 Specifications for the repair and refurbishment of various County facilities and instruct the Executive Officer to advertise and set January 22, 2008 for bid openings ~~for bids~~ for ten (10) Job Order Contracts ~~on December 19, 2007~~, in accordance with the "Instruction Sheet for Publishing Legal Advertisements."

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION:

The Internal Services Department (ISD) uses Job Order Contracts (JOC) to augment ISD's ability to effectively respond to a broad array of County repair, maintenance, and refurbishment projects. JOC is a flexible, cost-effective unit price contracting technique to accomplish repair, maintain, and refurbish County facilities.

The Internal Services Department plans on initiating a new solicitation for JOC contractors in December 2007. In order for ISD to solicit bids for any new JOC awards, the Board must adopt the JOC Unit Price Books and Specifications and instruct the Executive Officer to advertise for bids.

Implementation of Strategic Plan Goals

This action meets the Countywide Strategic Plan for Service Excellence (Goals 1) and Fiscal Responsibility (Goal 4). More specifically, it aligns with these goals by providing timely facilities services, effectively managing County resources and investing in public infrastructure.

FISCAL IMPACT/FINANCING

There is no fiscal impact to the County from this recommended action. It merely adopts a price book which is a prerequisite to ISD's ability to solicit for JOC contractors.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Board approval of the recommended actions is required by Public Contract Code Sections 20125 and 20128.5. The Specifications contain all of the Board required provisions related to contracting.

ENVIRONMENTAL DOCUMENTATION

California Environmental Quality Act (CEQA) requires public agency decision makers to document and consider the environmental implications of their actions.

Job Order Contract projects provide facilities repairs, maintenance, and refurbishment services requested by County Departments, which are generally categorically exempt under CEQA. ISD will file all required Notices of Exemption for each categorically exempt project as required by CEQA. Your Board will be asked to make environmental determinations for any projects that are not categorically exempt.

CONTRACTING PROCESS

Advertising for bids will be in accordance with the County's standard "Instruction Sheet for Publishing Legal Advertisements." Following receipt of bids, we will return to your Board to request approval to award the JOC contracts.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

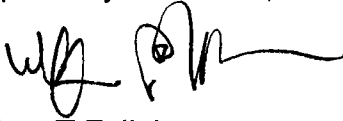

There is no employee impact. JOCs are intended to augment, but not replace the County workforce, and to ensure our ability to respond to emergent requirements.

CONCLUSION

Your approval of the recommendation will provide the resources necessary for ISD to provide timely facility project services to County departments and agencies. Please return one stamped copy of the approved Board letter to the Director, ISD.
